As a country radio staple, the trio has amassed record-breaking success with nine No. One hits, while ushering in more than 18 million album units and 34 million tracks sold, with over four billion digital streams. The trio recently earned the biggest first week streams of their career with their critically-acclaimed No. One album *OCEAN* (BMLG Records). Known for their 9X PLATINUM hit "Need You Now" – which is the highest certified song by a Country group – they have earned ACM and CMA "Vocal Group of the Year" trophies three years in a row and countless other honors, including seven GRAMMY awards, Billboard Music Awards, People's Choice Awards, Teen Choice Awards and a Tony Award nod.
