“After far too long feeling torn away from my favorite part of my musical life, live performance, it is with huge excitement and gratitude to announce that I’ll be back doing what I do best and love most with the Harmony Tour,” says Groban. “It will be more than a concert for me...it will be a celebration of connection with my friends, fans and colleagues who have

been my anchors during the last couple of years and during the course of my career. I hope you'll join us for these beautiful nights of music."

To enhance the safety of all attendees and crew, everyone is stepping up their efforts to inform the public about safety precautions. While this is subject to change, it will be required to provide either a negative COVID-19 test or proof of vaccination. To better serve attendees, the Josh Groban touring crew will be fully vaccinated and wearing masks at all times. We are eager to open the doors to everyone once again to showcase this group of musicians.

Before heading out on the Harmony Summer Tour, Josh will be continuing his Great Big Radio City Show performances at Radio City Music Hall from April 7th-9th. Josh debuted his Great Big Radio City Show at Radio City Music Hall on Valentine's Day 2020 and is excited to resume his residency there this year.

Josh kicked off 2021 with the release of Harmony Deluxe, which featured six additional renditions of timeless classics and performed a special livestream concert on Valentine's Day. This past November, Josh also celebrated the 20th anniversary of his debut self-titled album with the release of the 20th Anniversary Deluxe edition, featuring two new bonus tracks, "Roma Nun Fa' La Stupida Stasera," Groban's first ever studio demo and "Mia Per Sempre," the original Japanese edition bonus track.

To wrap up 2021, Josh presented an encore presentation of his first ever Holiday concert on December 17th, due to popular demand. The performance featured songs from his critically acclaimed, six time platinum selling holiday album, *Noël*, as well as a few fan favorites.
