About TAP® New York Craft Beer & Food Festival

TAP® New York started out with a couple hundred craft beer enthusiasts and a handful of craft breweries at the prestigious Culinary Institute of America in Hyde Park, and over the last 22 years, has grown into the largest craft beer and food event in New York State. TAP® New York has grown over tenfold through the years. In 2019, over 150 breweries were invited with over 120 attending, offering everything from IPAs, lagers, weissbiers, doppel and trippel bocks, stouts, ales and any variety you know of, and probably a few that you don't.
